About CAMPS Corporate Sponsorship Opportunities

The CAMPS Corporate Sponsorship provides your company the opportunity to reach our membership while showing support for our industry and providing funds needed for CAMPS continued effectiveness and viability. Your commitment, through one of the annual Corporate Sponsorship Levels, will enable greater CAMPS advocacy and outreach efforts and provide a broader pool of added value to our members.

CAMPS takes pride in partnering with industry companies to enhance member benefits. ■

CAMPS leadership goes above and beyond to support CAMPS events and you can too!

The Benefits of Being a CAMPS Corporate Sponsor

Annual Convention Exhibiting

For over 39 years CAMPS has represented the California HME Provider community. CAMPS members represent the most influential providers within the community and are within your marketing reach! In addition to the benefits of effective membership outreach, marketing and industry support, Corporate Sponsorship is designed to allow your company to decide the level of its CAMPS support and know in advance the return on that investment.

Sponsorship Level details make it clear what CAMPS benefits you will receive, while the annual commitment eases budgeting concerns. ■

3 Benefit Levels to Choose From

CAMPS gives you the freedom to choose the commitment that's right for your company. With three Corporate Sponsorship Levels, there is one designed to fit your company's marketing and impact preferences. From booth space at the Membership Conference, to membership dinners, speaker sponsorships, and marketing materials, a Corporate Sponsorship is a great way to promote your company and support CAMPS! Most levels of sponsorship are non-exclusive, however, some event sponsorships may be. If an exclusive sponsorship is of interest to you, be sure to ask for more details and how your company will benefit! ■

"With one request, I have secured budget approval for all the sponsorship opportunities we want to take advantage of for the full year. Once I have selected my sponsorship level I can move on to planning and executing my annual agenda!"

-CAMPS 2020 Corporate Sponsor

CAMPS is the leading association for the California HME/DME Industry and your commitment to a Corporate Sponsorship will make your organization synonymous with that lead.
